

Pregnancy – induced back pain

is robbing many women the joy of pregnancy. A local doctor tired of hearing about pregnant women bedridden due to back pain wants to offer relief. His very petite wife gave birth to 3 babies about 8 lbs each with no back pain during pregnancy. He wants other women to experience the same comfort. He is offering a gift to pregnant women in Santa Cruz County – a FREE first gentle back pain treatment using an advanced computerized method of treatment done while the patient sits in a comfortable position. There's only one catch to be able to receive this free gift – **YOU MUST BE PREGNANT!** This offer expires soon! Go to www.FiveStarChiro.com, click on "Special Offer to Pregnant Women" and print the gift certificate. Then call 475-8600 (your condition must qualify for treatment).
